Inspector Erlendur returns in this international Bestseller

Following an earthquake, the water level of an Icelandic lake suddenly falls, revealing a skeleton. Inspector Erlendur's investigation takes him back to the Cold War era, when bright, left-wing students in Iceland were sent to study in the "heavenly state" of Communist East Germany. Teeming with spies and informants, though, their "heavenly state" becomes a nightmare of betrayal and murder. Brilliantly weaving international espionage and a chilling cold case investigation, *The Draining Lake* is Arnaldur Indridason at his best.
