Letters and pictures suddenly start appearing in Anson's mailbox. But, he hasn't time to track down the anonymous source. His best friend is in trouble, and he needs him.

Erotica:

"Okay. I admit it. You're such a fucking stud. I want to kiss you all over, then lick you until you can't take it anymore, then give you the best head you've ever had. Now, get your tight ass moving before I back you up against my dick, and ram it home." I push him on towards the men's room.

We have a couple more drinks, and I gingerly send him off to the hotel to retrieve his belongings, and check out. I head home to prepare the room he was to occupy.

I'm home about a half an hour when the doorbell rings. I answer it, knowing that it is Craig.

"Welcome home!" I beam.

"I found this sticking in the mailbox when I came up. It's addressed to The Stud In 5-B."

"Shit, this isn't funny," I say, taking the envelope from him. Craig enters, and puts his bag on the floor in the foyer, following me into the living room. We sit on the couch, and I open the envelope. Out pops another shot of me drying my hair, full frontal, totally nude. The same circle surrounds my cock, with a caption that reads, 'let me make it hard!'

"Damn, man," Craig exclaims, "I am beginning to see what this person sees. You are one fucking stud. I never really looked at you this close before, but shit, you're good looking-and hung like a fucking horse."

"Man, this shit is getting freaky. Do you think I should contact the police?"

"I don't know. You're the lawyer. Besides, what are you going to tell them? I can see you now, 'Officer, I'd like to report that I have been getting letters from someone who wants to lick the hairs on my balls.' They'll think you're fucking crazy!"

"Yeah, I see what you mean. I'll forget it, for now. Hey, let me help you get settled." We walk over, grab his bags, and head for the guest room.

"Hey, man, you got a joint?" Craig asks.

"Yeah, I got some. You want to do a couple? Aren't you fuck up enough?"

"Not yet. I want to take a shower. When I come out." With that, Craig heads off to the bathroom. "Do I need to lock the door?" he jibes.

"Fuck you!"

"Not without a lot of lube."

I head into my bathroom to grab a quick shower before bedtime. I can hear Craig's baritone drone over the water. I get out, drying myself, and wrap the towel around my waist. I head out onto the master bedroom. There sits Craig on my bed, staring at the pictures of me. I can see the outline of his cock within the folds of his towel.

I quietly back up into the bath, making some noise this time before I leave. I find Craig still sitting on my bed, wrapped in a towel, looking at my pictures. The bulge is more obvious in his towel.

"Roll us some smoke, man."

"Calm down, fuck head."

"Look in my nightstand, and get it out." Craig opens the drawer to retrieve the smoke. I forget that inside are also the condoms, the tube of KY, and some banana-flavored joy jelly.
