The Midnight Society (The Midnight Chronicles) (Volume 1) Rhonda Sermon

Fans of The Mortal Instruments and The Crowns Game will love The Midnight Society's gripping mix of magic, high-stakes action and intriguing plot twists.

Witness protection has a protocol for dealing with every situation--except magic.

Cate's life has been monitored since her new identity was created five years ago. She's spent countless hours learning how to deal with potential threats and dangerous situations. None of which is any use when everyone around her is suddenly frozen like statues at the bus stop. As she attempts to make sense of the frightening scene, a mysterious group of teenagers appears out of thin air. They are intrigued she's not affected, but focus on completing their deadly mission, using baffling powers before they vanish again.

When the group seeks her out the next day, Cate is drawn into a world filled with sorcery and time travel. After she accidentally brings a cheerleader back from the dead, her incredible powers are revealed. Cate is shocked to discover she has a pivotal role to play in a centuries-old battle between two mortal enemies which threatens to destroy her entire world.

With the distinction between good and evil blurred, she's faced with the excruciating choice of which side to join. Cate can save her family or protect thousands of people from death. She can't do both. Will she risk destroying innocent lives to save the ones she loves?

The Midnight Society is the first book in The Midnight Chronicles series of young adult urban fantasy novels. If you like original butt-kicking heroines, fast-paced fantasy action, and unpredictable time travel twists, then you'll love Rhonda Sermon's refreshing, entertaining series starter.

(The Midnight Society was originally released as Timesurfers)

Praise for The Midnight Society

"Hands down the best Indie Book I've read"- Meleika - EndlessPagesinc

"Sermon has done a brilliant job. All her characters are realistic and breathe a certain kind of wisdom" - Marne Smith.

"WOW! This novel took me on an amazing ride... I recommend it to anyone looking for a new fun read" - SandraTheBookWorm.

"A unique, fast paced and compelling read with a very quirky and cool main character that has kick ass rainbow coloured hair" - MollieTheReader.

"One of my favourite fantasy novels" - RachelReads.
