The Story of Valentine's Day Nancy Skarneas

In only 200 words, author Skarneas tells the story of how Valentine's Day came into being. In simple words that every child can understand, here is the story of the kindly Valentine who cared for the children of Rome, who prayed for a miracle for a blind child, and who is remembered each February 14. Artist Pickett has painted the scenes in bright colors from the schoolroom scenes to those of ancient Rome. This book is unusual in that it briefly explains the history of a holiday to toddlers.
