This book is dealing with common English words that have different meanings. A certain word may have a certain meaning in a specific context,then the same word has a different meaning in another context. let me give you an example from the book,the word Love,for example,has two different meanings as shown in the following sentences:The children love their parents very much- The score now is 30-love. In the first sentence ,love means to like somebody or something very much,in the second sentence,love is related to tennis sport and it means zero and not scoring any point in the game. I believe this book is a good chance to learn English words and their different meanings.
