[Read by Sean Crisden]

An unexpected attraction heats up during a work trip in book two of #gaymers, a geektastic new series from multipublished male/male romance author Annabeth Albert.

Player vs. Player. Fight!

Brilliant (if he does say so himself) graphic designer Ravi Tandel is ahead of the game -- he's just been asked to present a top secret project at a huge conference in Seattle. All systems are go until he learns his buttoned-up office nemesis is coming along for the ride.

Tristan Jones isn't really the gamer type, but he knows the back end of the video game business inside out. Together, he and Ravi will give an awesome presentation. If they survive the cross-country trip first.

Tossed together in close quarters, Ravi's shocked to see Tristan's sexy, softer side emerge from such a conservative shell. He's less shocked to learn his handsome colleague's prominent family would never support an out-and-proud son. But Ravi didn't struggle through his own coming out to hide who he is now. To be together, Tristan will have to push past his fear and ultimately decide: Does he want a future with Ravi? Or is it game over before they've even begun?
