O3: One People One World One Accord Mel Reed

Why YOU Should Read This Book Regardless of Your Religion: After being ordained a minister of the Gospel of Jesus by Mount Zion Church of God in Charlotte, N.C, I saw the priorities of African American and other churches. I realized that we don't worship God, we worship tribal religions. My book defines these and other divisions as reasons why we can not unite into one people, one world, in one accord. And that's why my book is not about Christianity. It is the about the collective wisdom of all religions - as opposed to often historical intentional misinterpretations many religious leaders use to isolate us to themselves. But, the best part is that you need not give up your own faith to accept what is written. I predict that after you read it, you'll want to tell others about it and as you tell them, they will see a new you. Hereafter let the miraculous power of brotherly love ease the burdens of the poor, heavy laden, down trodden and ill! Mel Reed, Servant To God, Servant To Mankind.
