Like recovering from heart surgery beneath the gaze of his over-protective family isn't exasperating enough, someone keeps trying to break into Adrien English's bookstore. What is this determined midnight intruder searching for? When a half-century old skeleton is discovered beneath the floorboards in the midst of Cloak and Dagger Bookstore's renovation, Adrien turns to hot and handsome ex-lover Jake Riordan -- now out-of-the closet and working as a private detective. Jake is only too happy to have reason to stay in close contact with Adrien, but there are more surprises in Adrien's past than either one of them expects -- and one of them may prove hazardous to Jake's own heart.
