The Phenom Kollin L. Taylor

Kollin L. Taylor recently went through a metamorphosis in his life. He previously shared some of his life's journey via four poetry books: Exposed Part I - The Prelude, Exposed Part II - Romantic Relationships, Exposed Part III - Vida, and Exposed Part IV - ...The Journey Continues. He later followed up that series with Metamorphosis - The New Me. This is his sixth poetry book from a collection of more than 200 poems that were written in two months. The pace at which he wrote the poems was why Chaplain Robert A. Miller dubbed him, "The Phenom". However, Taylor credits the pace of his writings to his ultimate source of strength and inspiration - GOD.
