Typologies in England, 1650-1820 (Princeton Legacy Library) Paul J. Korshin

Professor Korshin delineates the development of typology from the theological to the secular sphere through a study of abstracted typology, or types that writers transferred from their customary religious contexts and put into various genres of literature, from poetry and fables to novels and histories.

Originally published in 1983.

The **Princeton Legacy Library** uses the latest print-on-demand technology to again make available previously out-of-print books from the distinguished backlist of Princeton University Press. These paperback editions preserve the original texts of these important books while presenting them in durable paperback editions. The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905.
