Welcome to Paradise

S. L. Scott

Welcome to Paradise S. L. Scott

From New York Times Best Selling Author, S. L. Scott - Three Full Length Amazon Bestsellers and a novella make up this Contemporary Romance/New Adult/Romance Erotica Series. For audiences 17+

I thought I was strong... But I wasn't when it came to Evan Ashford.

The rich, cocky playboy I met within minutes of landing in Hawaii didn't give me arrogance. He gave me his heart and his hard truths. In return, I gave him everything, including my trust. The man made me weak in the knees, but I soon learned the bad boy surfer had a reputation that preceded him and an image to uphold.

The sexual chemistry was unquestionable, our emotions irrational, but our love was undeniable. Together our pasts didn't matter. Our different backgrounds were irrelevant. He made me feel his life wasn't worth living without me in it. He took my breath away and saved each one of them, owning me wholly.

Evan became my life, but with all the obstacles that stood in our way, could he become my future?

From reader reviews:

Georgia Martinez:

Nowadays reading books are more than want or need but also become a life style. This reading habit give you lot of advantages. Associate programs you got of course the knowledge the actual information inside the book this improve your knowledge and information. The details you get based on what kind of reserve you read, if you want drive more knowledge just go with education books but if you want really feel happy read one using theme for entertaining for example comic or novel. Typically the Welcome to Paradise is kind of guide which is giving the reader erratic experience.

Louise Schmidt:

Playing with family in a very park, coming to see the water world or hanging out with buddies is thing that usually you may have done when you have spare time, and then why you don't try thing that really opposite from that. One activity that make you not feeling tired but still relaxing, trilling like on roller coaster you have been ride on and with addition of knowledge. Even you love Welcome to Paradise, you can enjoy both. It is very good combination right, you still need to miss it? What kind of hang-out type is it? Oh seriously its mind hangout men. What? Still don't obtain it, oh come on its identified as reading friends.

William Fiscus:

Don't be worry when you are afraid that this book may filled the space in your house, you will get it in e-book means, more simple and reachable. This kind of Welcome to Paradise can give you a lot of friends because by you checking out this one book you have factor that they don't and make a person more like an interesting person. This particular book can be one of one step for you to get success. This reserve offer you information that perhaps your friend doesn't recognize, by knowing more than additional make you to be great individuals. So , why hesitate? We should have Welcome to Paradise.

Linda King:

As we know that book is essential thing to add our expertise for everything. By a guide we can know everything we want. A book is a range of written, printed, illustrated or even blank sheet. Every year seemed to be exactly added. This publication Welcome to Paradise was filled about science. Spend your free time to add your knowledge about your scientific research competence. Some people has various feel when they reading a book. If you know how big advantage of a book, you can truly feel enjoy to read a book. In the modern era like at this point, many ways to get book that you just wanted.
