Jana Clayton's father is dead. She believes he was murdered, but no one is listening. Worse, she is certain someone is following her, but she isn't sure she can trust her instincts anymore. Desperate for help, she reaches out to a private investigations group known as the Guardian Agency.

Dylan Parker, the sexy cowboy who answers her call, isn't at all what Jana expected. Part of her wants to send this hot cowboy packing... but when bullets start flying, she knows she can't unravel the situation alone. Trusting her protector is her one chance to survive, no matter the risk to her heart.

When there is no one else to turn to and no one else to keep you safe, a Dangerous Protector is the man you want for the job.
