Be Light: Shining God's Beauty, Truth, and Hope into a Darkened World Samuel Rodriguez
The Blueprint for Overcoming Darkness and Living in God's Light.

Our world unravels more each day. It feels as if we're drowning in a sea churning with greed, violence, and lust. As darkness advances, hope dims.

Yet within that reality, God gives us a profound mandate...

Be Light.

Light has always defined God and his followers. At creation, God spoke light into existence. Jesus is the light of the world. And we are born to absorb and then reflect God's light.

In *Be Light* Samuel Rodriguez--described by Fox News and CNN as "America's most influential Latino Evangelical leader"--provides a blueprint for confronting darkness in every realm of our lives. He issues a clarion call for individual believers and the church to rise up and once again be that bright city on a hill, which doesn't simply expose the invading darkness, but overcomes it with God's blazing light.
