"How far would you go to save the ones you love?" Unable to believe in modern medicine, seventeen-year-old Vince Moore embarks on a dark journey to become a vampire in order to save his mother's life.

However, he's blissfully unaware that one revelation will challenge everything he wants. His best friend, Carly Kale, disagrees with his methods, but is sympathetic to the purpose behind his choices, and stands in support to help Vince at all costs. Soon, both teens are caught in the middle of a centuries-old war between the Children of Dark and Children of Light. Vince must choose sides, unaware that the wrong choice will cost him more than his own life. Why are vampires, demons, witches, angels, and light hunters suddenly all interested in ordinary humans like Vince and Carly? Which side will prevail: dark or light? Black Blood is an amusing yet dark journey of self-discovery, love, and sacrifice.
