## **Huérfanos del narco - Los olvidados de la guerra del narcotráfico / The Drug Lord's Orphans: The (Spanish Edition) Javier Valdés**

Javier Valdez, autor de Miss Narco, Con una granada en la boca y Morros del narco, vuelve con una investigación sobre la vida de los niños que han quedado sin hogar como efecto colateral de la guerra contra el crimen organizado. Un libro repleto de testimonios desgarradores en el cual Javier Valdéz Cárdenas plantea una serie de preguntas pertinentes: ¿qué harán los niños que han quedado huérfanos tras los más de 100 mil muertos que ha dejado la batalla contra el crimen organizado? ¿Dónde está el futuro de México, si hay toda una generación que ha crecido al calor de la violencia? ¿Por qué son pocos los que hablan de esta problemática? ¿Qué se está haciendo en el país para cobijar a un grupo tan vulnerable? Si en Los morros del narco, Valdéz narró las historias de quienes súbitamente caen en las garras de la violencia y son reclutados por el crimen organizado, en esta entrega el sagaz periodista indaga las historias de los niños y niñas que han sufrido situación de calle o han terminado en albergues en lugares remotos del país. Triste, desoladora, muy real, pero sin dejar de lado un espacio para la esperanza, ésta es una crónica de lo que pasa todos los días en México. **ENGLISH DESCRIPTION** A book full of heartbreaking testimonials in which Javier Valdez Cárdenas proposes a series of pertinent questions: what will become of the children who have been orphaned by over 100,000 deaths caused in the battle against organized crime? Where is Mexico's future, if there is an entire generation that has grown up in the heat of the violence? Why do so few people talk about this predicament? What is being done in Mexico to give shelter to this vulnerable group?
