In Nature's Time is a quiet retreat . . . Sit along the shore or deep inside a forest, Stand beside a quiet mountain, or watch a golden sunset. Breathe the freshness of morning light. Savor the sweet fragrance of flowers anywhere you can find them. This collection of poems expresses the beauty of living simply while pausing to enjoy nature's gifts – forest, flowers, a river, sunlight and shadow, or falling autumn leaves. In Nature's Time offers a great escape for readers who have only minutes to spare. Applying her talents for creating vivid images in the minds of readers, Janice ponders the mysteries and miracles of nature that are so often taken for granted.
