## Oxford Mini Dictionary and Thesaurus

Combining two essential language resources in one small package, this marvelous combined dictionary and thesaurus offers a portable, compact, and convenient reference to the English language. The *Oxford Mini Dictionary & Thesaurus* is small enough to fit easily into a bag or backpack, providing help with studies and solutions to everyday language problems and puzzles, wherever you may be.

Containing over 40,000 words, phrases, and definitions, and over 65,000 synonyms--all of the words you need to know for everyday use--this Second Edition features an attractive new design so that you can find what you need easily. The new design includes a closer meshing of the dictionary and thesaurus text, so that the synonyms for a particular word sit directly alongside the definition of that word, so that you have the meaning of a word and alternative word choices in one handy place. In addition, a new center section packed with language reference information makes this dictionary and thesaurus a one-stop tool that will help to solve your grammar and spelling queries.

The perfect resource for people on the go, *Oxford Mini Dictionary and Thesaurus* blends portability and authority in the most comprehensive reference work of its size.
