After The Dawn Stephanie Motes

For Lieutenant Samantha 'Sammy' Yates, leaving the Marines wasn't an option she ever wanted. Forced out of the service because of Post-Traumatic Stress Disorder, she tries to move on with her life-- putting up a good facade to those who don't know her very well. Alone, however; she is plagued with battle scars she can't shake even two years after her tour.

When successful psychiatrist, Sara Lawson, decided to move back to the only place she ever felt safe, the last thing she had on her mind was falling in love. Deciding to renovate the home she inherited from her grandmother, she crosses paths with Sammy, who is now working as a contractor. Sara spots something kindred in the woman's hardened, but kind blue eyes.

Each hiding their own secrets in the small Florida town, they both realize that the walls they had spent years perfecting have started to crack around one another. As they slowly build a friendship, can they keep each other safe from the danger that is speeding towards them?

This 2nd edition of the best-selling novel, *After the Dawn*, has been revised and contains the bonus story, "Dawn of Christmas."
