Become Who You Were Born to Be: We All Have a Gift... Have You Discovered Yours? Brian Souza
Do you ever feel burned out, beat up, or just plain old bored by the monotony of everyday life, wondering, "Is this all there is?" Do you ever feel trapped in a stress-filled job that leave you unhappy and unfulfilled? Do you ever question if you're doing what you're supposed to be doing - if you're fulfilling your life's purpose? If so, you are not alone.

You were created by design for a very specific purpose. Just as musicians must make music, poets must write, and artists must paint, you too have a unique gift that will bring both meaning and purpose to your life.

How are you supposed to find your life's purpose? Many religious books declare that it's primarily up to God to show you the way. Most self-help books claim that motivation is the answer. The reality is - they're both missing the mark.

In this revolutionary new book, Brian Souza dispels the myths and shares the truth. Become Who You Were Born To Be is not only a blueprint on how to succeed in business; it's a blueprint for how to succeed at life.
