Dancing With the Analysts David A. Mallach

A powerful novel by a Wall Street veteran based on his 29 years experience. Through this story, the author reveals his proven investment principles, which he has taught and practiced around the world. Austin is a young man unprepared for a life-shattering experience. His deceased father, whom he never really knew, has left him a million dollars, with a promise of five million more IF Austin meets the strict conditions.

He must invest the one million dollars and earn 15% a year for 3 years, or he will lose the five million. But he could easily lose the million he has by trying.

Play it safe?

Take the million and run.

Or risk it all, and go for the five million?

What will Austin do?

What would YOU do?
