In The Spooky Forest C. Edwin Fender

A fiction book for children ages 6-9 about a mysterious "white something" moving through the Spooky Forest, which is a real forest existing on the historic 804 Trail in Yachats, Oregon. The photos and descriptions of the area are factual. The local bookseller says, "For Christmas, I gave "In the Spooky Forest" to my 8 year old grandson. I chose this as a gift because my grandson loves to read and we sell Ed Fender's books in our small bookstore, 'Mari's Books and...'. He tore off the wrapping paper, immediately started reading and was completely captivated by the story, to the exclusion of his other Christmas gifts. Now, that's a great book!"
