The Diamond Caper Peter Mayle

Bon vivant and expert sleuth Sam Levitt and his partner in love and intrigue, Elena Morales, return in the latest installment of the delightfully sun-splashed Provençal *Caper* series.

When a Riviera socialite's diamonds are stolen—the latest in a string of seemingly unconnected but ever-more-audacious jewelry heists across France—Elena flies in to investigate the insurance claim. It's a trip she's more than happy to make, as it gives her a chance to meet up with old friends in Marseille—and, particularly, with Sam.

Once reunited, Sam isn't entirely distracted by domestic matters. In the pattern of these “perfect crimes” he's beginning to see a master at work, and he's quickly determined to connect and solve the cases. But as he and Elena dig deeper, they begin to realize just how much is connected and how dangerous it may be to pursue the whole truth.

Meanwhile, there's a house to renovate, *rosé* to share, and feasts of Provençal summer bounty to enjoy. Full of Peter Mayle's inimitable wit and style, *The Diamond Caper* is sure to charm faithful fans and new readers alike.

From reader reviews:

Walter Gagne:

Do you have favorite book? For those who have, what is your favorite's book? Guide is very important thing for us to know everything in the world. Each publication has different aim as well as goal; it means that reserve has different type. Some people feel enjoy to spend their time and energy to read a book. They may be reading whatever they have because their hobby is usually reading a book. What about the person who don't like studying a book? Sometime, man or woman feel need book after they found difficult problem or exercise. Well, probably you'll have this The Diamond Caper.

Linda Howard:

What do you in relation to book? It is not important to you? Or just adding material when you need something to explain what yours problem? How about your time? Or are you busy person? If you don't have spare time to do others business, it is give you a sense of feeling bored faster. And you have extra time? What did you do? Every individual has many questions above. The doctor has to answer that question mainly because just their can do which. It said that about e-book. Book is familiar on every person. Yes, it is proper. Because start from on pre-school until university need that The Diamond Caper to read.

Juan Jensen:

Here thing why this particular The Diamond Caper are different and reputable to be yours. First of all reading through a book is good however it depends in the content of computer which is the content is as delightful as food or not. The Diamond Caper giving you information deeper as different ways, you can find any guide out there but there is no reserve that similar with The Diamond Caper. It gives you thrill examining journey, its open up your personal eyes about the thing that happened in the world which is maybe can be happened around you. It is possible to bring everywhere like in playground, café, or even in your means home by train. Should you be having difficulties in bringing the printed book maybe the form of The Diamond Caper in e-book can be your alternative.

Mildred Timm:

Is it an individual who having spare time in that case spend it whole day by simply watching television programs or just lying down on the bed? Do you need something totally new? This The Diamond Caper can be the solution, oh how comes? The new book you know. You are therefore out of date, spending your extra time by reading in this completely new era is common not a geek activity. So what these publications have than the others?
